

REMARKS

Entry of this amendment is respectfully requested.

Applicants acknowledge the restriction requirement of June 10, 2005. Applicants elect to prosecute the claims of Group I, as amended, with traverse. It is not believed that it would be an undue burden for the Examiner to examine all claims, as amended.

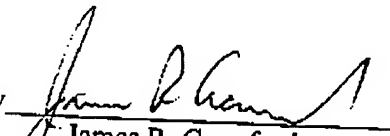

Furthermore, in view of the amended claims, it is not believed that a species election is now required. Nonetheless, should the Examiner believe that a species should still be elected, Applicants elect as the species compound 8, i.e., N-(3,5-dichloro-1-oxopyridin-4-yl)-[7-hydroxy-1-(2-nitrobenzyl)-indol-3-yl]glyoxylamide.

The Commissioner is hereby authorized to charge any deficiency in the fees filed to our Deposit Account No. 50-0624, under Order No. NY-HUBR 1262-US.

Respectfully submitted
